Information given by IDPL

1922. SHRI M. KADHARSHA: Will the Minister of INDUSTRY be pleased to refer to the answer to Unstarred Ques tion 2940 given in the Rajya Sabha on the 5th December, 1988 and state:

(a) whether it is a fact that even in respect of non-scheduled drugs the manufacturers are required to give the details in form IA to his Ministry;

(b) if so, whether IDPL has submitted the details in respect of Vitamin BI, Vitamin B2, Folic Acid and Vitamin B6;

(c) if so, what were the details of cost of production of each drug as given in form IA and when was each detail provided; and

(d) what were the various aspects which are covered under monitoring by his Ministry?

THE MINISTER OF INDUSTRY (SHRI J. VENGAL RAO): (a) to (d) Yes, Sir. M/s. IDPL had submitted the various details as required under provisions of DPCO, 1987, and the price movements of various price decontrolled bulk drugs/formulations, are monitored by this Ministry.

Prices of Valium, Calmpose, Serenace and Eskazine

1923. SHRI M. KADHARSHA: Will the Minister of INDUSTRY be pleased to state:

(a) whether it is a fact that the prices of Valium, Calmpose, Serenace and Eskazine are upto 1000 times the exfactory cost;

(b) whether it is also a fact that Government did not fix the prices of these medicines and decontrolled without any justified basis;

(c) whether the price monitoring cell took notice of the prices of these products; and

(d) if so, what are the details of the examination of cost data and how the effectiveness of monitoring is established by the Department?

THE MINISTER OF INDUSTRY (SHRI J. VENGAL RAO): (a) to (d) The referred formulations were exempted from price control under DPCO, 1979 and are also presently decontrolled. Details regarding their prices will be collected and information will be laid on the Table of the House, as soon as possible.

Production of drugs

1924. SHRIMATI RATAN KUMARI: Will the Minister of INDUSTRY be pleased to state:

(a) what are the names of the monitored drugs production of which has declined during the year 1987-88 as compared to the year 1986-87 and what was the production during each year;

(b) what are the main reasons for reduction of production and why their prices are not decontrolled to step up productions; and

(c) how many of these drugs are produced from basic stages and what are the names of drugs for which the production has gone up during the same period and what was the production during each year?

THE MINISTER OF INDUSTRY (SHRI J. VENGAL RAO): (a) Names of monitored bulk drugs showing decline in production and the production during the last two years, year-wise, are given in the enclosed Statement-I *(See* below).

(b) Decline in production could be at tributed to several factors including drug obsolesence, market demand and corpo rate plans of the companies producing the drugs.

(c) Several of these drugs such as Dapsone, Aspirin, PAS and its Salts

Chloramphenicol, Ibuprofen, Trimethoprim etc. are produced from the basic stage. Names of monitored drugs showing increase in production and their production during the last two years, year-wise, are given in the enclosed Statement-II.

Statement-I

	Name of Drug	A/c Unit	Production during	
			1986-87	1987-88
	1	2	3	4
1.	Chloramphenicol Palmitate	T	11.10	1.93
2.	Erythromycin	T	42.15	41.50
3.	Sulphamoxole	T	76.99	42.39
4.	Sulphaphenazole	T	37.64	25.60

Target for production for the Central Coal Fields Limited

1925. DR. MOHD. HASHIM KIDWAI: Will the Minister of ENERGY be pleased to state:

(a) the target for production of coal set for the Central Coal Fields Limited for the year 1987-88 and for the current financial year;

(b) how far the target of 1987-88 has been achieved; and

(c) how far the target for the current financial year has been achieved till December 1988?

THE MINISTER OF STATE IN THE DEPARTMENT OF COAL IN THE MINISTRY OF ENERGY (SHRI C. K. JAFFAR SHARIEF):(a) to (c) Coal production in Central Coal fields Limited, during 1987-88, was 27.30 million tonnes as against the target of 27.29 million tonnes.

The target of coal production in the current year has been fixed at 28 million tonnes. Coal production upto December, 1988 was 18.229 million tonnes as against the target of 18.225 million tonnes for this period.

Demands of the N.P.C.C. Union

1926. SHRI MOHAMMED AMIN: Will the Minister of ENERGY be pleased to state:

(a) whether Government have received any memorandum from the National Projects Construction Corporation Union;

(b) if so, what are the details thereof; and

(c) what steps Government have taken or propose to take in this regard?

THE MINISTER OF STATE IN THE DEPARTMENT OF POWER IN THE MINISTRY OF ENERGY (SHRI KALPNATH RAI): (a) to (c) A memorandum, dated 30th January, 1989, has been received by the National Projects Construction Corporation from the NPCC Workers Union, in which issues, *inter-alia,* relating to payment of interim relief, termination of services of workmen, change of service conditions, transfer of Union office-bearers, settlement of charter of demands, have been raised.
